VITALHEALTH

DETOX FAMILY

These formulas contain naturally derived ingredients traditionally used in various cultures as part of habits associated with overall well-being.

ALL OF OUR INGREDIENTS ARE CHOSEN TO SUPPORT YOUR BODY IN:

1. Lifestyles associated with metabolic balance.
2. Traditional kidney cleansing processes.
3. Habits oriented toward liver health.
4. The healthy maintenance of the biliary system.
5. The natural elimination of retained fluids.
6. Natural body detox practices
7. Urinary tract well-being.
8. The overall well-being of internal organs as part of a comprehensive routine.

VITALHEALTH

DETOX
FAMILY

V-ORGANEX

At **VITALHEALTH GLOBAL**
we believe lasting wellness starts
with internal balance.

V-ORGANEX

Combines

Boldo, chicory, and guarana

Plant-based ingredients traditionally used to support digestive function and natural vitality. This carefully crafted formula helps maintain digestive balance while supporting sustained energy and daily performance, so you can feel confident and energized from within.

These statements have not been evaluated by the Food and Drug Administration.
This product is not intended to diagnose, treat, cure, or prevent any disease.

DETOX
FAMILY

V-TE DETOX

At **VITALHEALTH GLOBAL**,
we believe daily wellness begins
with simple, plant-based choices.

V-TE DETOX

Features

Cactus pad (Opuntia ficus-indica), a botanical traditionally valued as part of a balanced diet.

Cactus pad provides naturally occurring plant compounds and fiber that complement digestive balance and overall nutritional wellness.

This thoughtfully crafted blend supports daily balance and vitality as part of a healthy lifestyle.

DX18USVH

These statements have not been evaluated by the Food and Drug Administration.
This product is not intended to diagnose, treat, cure, or prevent any disease.

DETOX FAMILY

These statements have not been evaluated by the Food and Drug Administration.
This product is not intended to diagnose, treat, cure, or prevent any disease.

DETOX
FAMILY

V-FORTYFLORA

At **VITALHEALTH GLOBAL**,
we believe balance begins from within.

FORTYFLORA

Combines

Magnesium, activated charcoal, L-lysine, and calcium in a thoughtfully balanced formula designed to complement digestive wellness and mineral support.

Magnesium contributes to normal muscle and metabolic function, while **calcium** supports essential physiological processes. **Activated charcoal** is traditionally used as part of digestive support, and **L-lysine** plays a role in normal protein-building functions in the body.

Together, these ingredients support overall balance and daily wellness as part of a healthy lifestyle.

These statements have not been evaluated by the Food and Drug Administration.
This product is not intended to diagnose, treat, cure, or prevent any disease.

VITALHEALTH

DETOX
FAMILY

V-ITAREN

At **VITALHEALTH GLOBAL**,
we believe lasting wellness begins
with internal balance.

V-ITAREN

Brings together
hibiscus and moringa

Plant-based ingredients traditionally valued for their antioxidant properties and their role in supporting natural fluid balance.
This thoughtfully crafted formula helps maintain normal elimination processes and promotes daily vitality, empowering you to feel light, balanced, and confident from within.

These statements have not been evaluated by the Food and Drug Administration.
This product is not intended to diagnose, treat, cure, or prevent any disease.

VITALHEALTH

GLUTATION

+ PLUS

DETOX FAMILY

These statements have not been evaluated by the Food and Drug Administration.
This product is not intended to diagnose, treat, cure, or prevent any disease.

DETOX
FAMILY

GLUTATION
+ PLUS

At **VITALHEALTH GLOBAL,**
we believe lasting wellness begins
at the cellular level.

GLUTATION+

Combines

Reduced L-glutathione, L-cysteine HCl, vitamin C, chlorophyll (as sodium copper chlorophyllin), and mango in a carefully balanced formula designed to complement daily nutritional support.

L-glutathione and **L-cysteine** participate in the body's natural antioxidant processes, while **vitamin C** helps protect cells from oxidative stress and supports normal immune function. **Chlorophyll** provides additional antioxidant support, and **mango** contributes naturally occurring plant compounds that complement overall nutritional balance.

Together, these ingredients support cellular wellness and daily vitality as part of a healthy lifestyle.

These statements have not been evaluated by the Food and Drug Administration.
This product is not intended to diagnose, treat, cure, or prevent any disease.

VITALHEALTH

RESTORE FAMILY

These formulas contain naturally derived ingredients traditionally used in various cultures as part of habits associated with overall well-being.

ALL OF OUR INGREDIENTS ARE CHOSEN TO SUPPORT YOUR BODY IN:

1. The restoration of intestinal flora balance
2. Habits focused on cognitive and neuronal well-being
3. The healthy maintenance of the cardiovascular system
4. Joint mobility as part of comprehensive care
5. Natural protection against free radicals
6. Support for cognitive function and healthy memory
7. Bone health within long-term wellness routines
8. Strengthening defenses within healthy lifestyles
9. Support in routines for allergy control
10. The regulation of cardiac functions
11. Metabolic stability in fats and sugar levels

RESTORE
FAMILY

S-BALANCE

At **VITALHEALTH GLOBAL**,
we believe lasting balance begins from within.

S-BALANCE

Combines

Berberine hydrochloride, fenugreek, milk thistle extract, garlic, cranberry, and a complementary botanical blend in a comprehensive formula designed to support metabolic wellness.

Berberine and fenugreek are traditionally valued for supporting carbohydrate metabolism, while **milk thistle** extract provides antioxidant support. **Garlic and cranberry** contribute to overall wellness, and the remaining plant-based ingredients complement daily nutritional balance.

Together, this thoughtfully crafted formula helps support metabolic harmony and everyday vitality as part of a healthy lifestyle.

These statements have not been evaluated by the Food and Drug Administration.
This product is not intended to diagnose, treat, cure, or prevent any disease.

VITALHEALTH

V-OMEGA 3

RESTORE FAMILY

This product is not intended to diagnose, treat, cure, or prevent any disease.

RESTORE
FAMILY

V-OMEGA 3

At **VITALHEALTH GLOBAL**,
we believe optimal wellness starts with essential nutrients.

OMEGA 3

Combines

Highly concentrated fish oil from salmon with vitamins A, D3, E, and astaxanthin in a comprehensive formula designed to complement daily nutrition.

Omega-3 fatty acids help support heart health as part of a balanced lifestyle. **Vitamin A** contributes to normal vision and immune function, while **vitamin D3** supports bone health and normal immune function. **Vitamin E and astaxanthin** provide antioxidant support to help protect cells from oxidative stress.

Together, these nutrients support overall vitality and daily wellness.

These statements have not been evaluated by the Food and Drug Administration.
This product is not intended to diagnose, treat, cure, or prevent any disease.

VITALHEALTH

V-ITADOL

RESTORE FAMILY

These statements have not been evaluated by the Food and Drug Administration.
This product is not intended to diagnose, treat, cure, or prevent any disease.

RESTORE
FAMILY

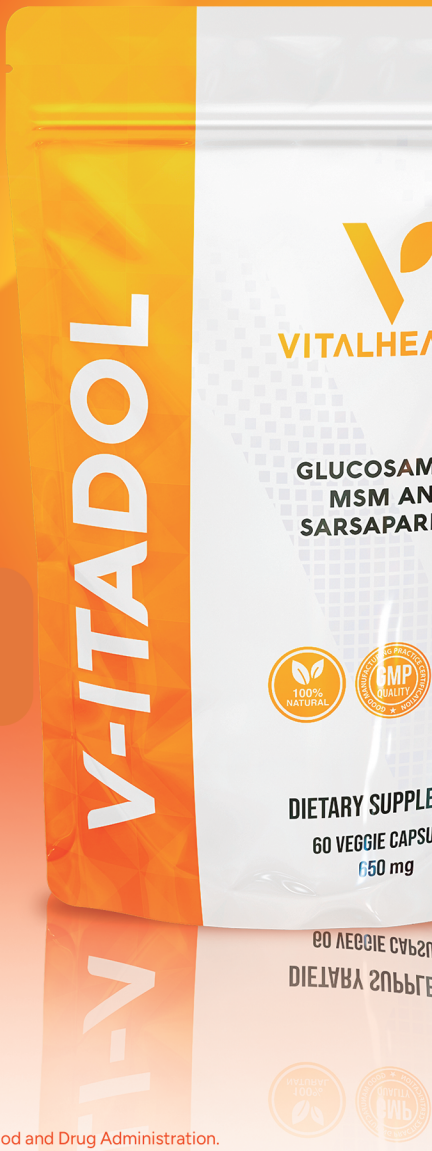

V-ITADOL

At **VITALHEALTH GLOBAL**,
we believe staying active begins with supporting your joints.

V-ITADOL

Combines

D-glucosamine HCl and MSM (methylsulfonylmethane) in a formula designed to promote joint health and mobility.

Glucosamine is a key structural component naturally found in cartilage, while **MSM** provides organic sulfur, an important building block present in connective tissues.

Together, these ingredients help support joint comfort, maintain normal cartilage structure, and promote flexibility as part of an active lifestyle.

These statements have not been evaluated by the Food and Drug Administration.
This product is not intended to diagnose, treat, cure, or prevent any disease.

VITALHEALTH

V-ASCULAX

RESTORE FAMILY

These statements have not been evaluated by the Food and Drug Administration.
This product is not intended to diagnose, treat, cure, or prevent any disease.

RESTORE
FAMILY

V-ASCULAX

At **VITALHEALTH GLOBAL**, we believe feeling free to move makes everyday life better.

V-ASCULAX

Combines

Rosemary and MSM (methylsulfonylmethane) in a formula designed to support daily mobility.

Rosemary provides antioxidant support, **while MSM supplies organic sulfur,** a naturally occurring component in the body.

Together, they help support joint comfort and normal movement as part of an active lifestyle.

These statements have not been evaluated by the Food and Drug Administration.
This product is not intended to diagnose, treat, cure, or prevent any disease.

VITALHEALTH

V-CONTROL

RESTORE FAMILY

These statements have not been evaluated by the Food and Drug Administration.
This product is not intended to diagnose, treat, cure, or prevent any disease.

RESTORE
FAMILY

V-CONTROL

En **VITALHEALTH GLOBAL**,
we believe balance begins with daily nutritional support.

V-CONTROL

Combines

Spirulina, acerola, Mexican hawthorn, and cactus pad in a thoughtfully crafted formula designed to complement a healthy lifestyle.

Spirulina provides plant-based nutrients, while **acerola** delivers natural antioxidant support. **Mexican hawthorn and cactus pad** are traditionally valued for their role in supporting metabolic balance and overall wellness.

Together, these ingredients help support nutritional balance and daily vitality as part of a balanced diet and active lifestyle.

These statements have not been evaluated by the Food and Drug Administration.
This product is not intended to diagnose, treat, cure, or prevent any disease.

VITALHEALTH

V-GLUTATION

RESTORE FAMILY

These statements have not been evaluated by the Food and Drug Administration.
This product is not intended to diagnose, treat, cure, or prevent any disease.

RESTORE
FAMILY

V-GLUTATION

At **VITALHEALTH GLOBAL**, we believe true radiance and resilience begin at the cellular level.

V-GLUTATION

Combines

Vitamin C, reduced L-glutathione, turmeric, and rose petal powder in a carefully balanced formula designed to support antioxidant defense and overall wellness.

Vitamin C contributes to normal immune function and helps protect cells from oxidative stress. **Reduced L-glutathione** plays a key role in the body's natural antioxidant processes, while **turmeric and rose petal powder** provide plant-based antioxidant support.

Together, these ingredients help support cellular protection and daily vitality as part of a healthy lifestyle.

These statements have not been evaluated by the Food and Drug Administration.
This product is not intended to diagnose, treat, cure, or prevent any disease.

VITALHEALTH

V-CURCUMAX

RESTORE FAMILY

These statements have not been evaluated by the Food and Drug Administration.
This product is not intended to diagnose, treat, cure, or prevent any disease.

RESTORE
FAMILY

V-CURCUMAX

At **VITALHEALTH GLOBAL**,
we believe strength begins with
balance and daily support.

V-CURCUMAX

Combines

Turmeric, methylsulfonylmethane (MSM), vitamin C, and selenium in a thoughtfully crafted formula designed to promote joint wellness and antioxidant defense.

Turmeric is traditionally valued for its antioxidant properties, while **MSM** provides organic sulfur, a naturally occurring component in connective tissues. **Vitamin C** and **selenium** contribute to antioxidant protection and help support normal immune function.

Together, these ingredients help support joint comfort, cellular protection, and overall vitality as part of an active and healthy lifestyle.

These statements have not been evaluated by the Food and Drug Administration.
This product is not intended to diagnose, treat, cure, or prevent any disease.

VITALHEALTH

V-ITALAY

RESTORE FAMILY

This product is not intended to diagnose, treat, cure, or prevent any disease.

RESTORE
FAMILY

V-ITALAY

At **VITALHEALTH GLOBAL,**
we believe wellness is built through balance and clarity.

V-ITALAY

Combines

Green tea and peppermint in a refreshing, thoughtfully crafted blend.

Green tea provides antioxidant support and helps maintain natural energy levels, while **peppermint** supports digestive function and delivers a light, refreshing sensation.

Together, these ingredients promote digestive harmony and everyday vitality as part of a healthy lifestyle.

These statements have not been evaluated by the Food and Drug Administration.
This product is not intended to diagnose, treat, cure, or prevent any disease.

VITALHEALTH

V-ITALBOOST

RESTORE FAMILY

V-ITALBOOST

At **VITALHEALTH GLOBAL**,
we believe true resilience begins
from within.

V-ITALBOOST

Combines

Garlic, vitamin C, ginger, turmeric, cayenne pepper, cinnamon, and vitamin D in a powerful, thoughtfully balanced formula designed to complement your daily nutrition.

Garlic, ginger, and turmeric are traditionally valued for their antioxidant properties. **Vitamin C** and **vitamin D** help support normal immune system function, while **cinnamon and cayenne** complement metabolic balance as part of a healthy lifestyle.

Together, these ingredients support overall wellness, natural vitality, and daily defense, helping you stay strong and energized.

These statements have not been evaluated by the Food and Drug Administration.
This product is not intended to diagnose, treat, cure, or prevent any disease.

VITALHEALTH

NOURISH FAMILY

NOURISH
FAMILY

VITALAGE
COLLAGEN

At **VITALHEALTH GLOBAL**
we believe beauty and vitality begin with structural support from within.

VITALAGE COLLAGEN

Combines

Hydrolyzed collagen peptides (Type I and marine collagen) with vitamin C, vitamin E, resveratrol, astaxanthin, hyaluronic acid, and supportive nutrients in a comprehensive formula designed to complement daily wellness.

Vitamin C contributes to normal collagen formation, which supports the structure of skin and connective tissues. **Biotin** helps maintain healthy skin, while **vitamin E, resveratrol, and astaxanthin** provide antioxidant support to help protect cells from oxidative stress.

These statements have not been evaluated by the Food and Drug Administration.
This product is not intended to diagnose, treat, cure, or prevent any disease.

V-HARMONY

At **VITALHEALTH GLOBAL**
we know that women's well-being begins with internal hormonal balance.

V-HARMONY

Combines

Dmyo-inositol, myo-inositol, D-chiro-inositol, resveratrol, DIM, saffron, vitamin E, magnesium, vitamin B6, Lactobacillus plantarum, and zinc in a comprehensive formula designed to support hormonal balance, menstrual cycle regulation, emotional well-being, and women's microbiota.

Myo-inositol and **D-chiro-inositol** support insulin sensitivity, ovulation, and menstrual cycle regulation; **resveratrol and DIM** promote hormonal and estrogen metabolism; while saffron, vitamin E, magnesium, and B6 complement emotional well-being and PMS relief. In addition, Lactobacillus plantarum and zinc help strengthen women's microbiota and immune support.

Together, this combination supports women's daily balance, encourages a more harmonious cycle, and promotes holistic well-being from within.

These statements have not been evaluated by the Food and Drug Administration.
This product is not intended to diagnose, treat, cure, or prevent any disease.

V DAILY

At **VITALHEALTH GLOBAL**,
we believe daily wellness begins with comprehensive nutrition.

V-DAILY

Brings together

Essential vitamins, minerals, amino acids, plant-based ingredients, functional mushrooms, probiotics, and prebiotic fibers in a complete formula designed to complement everyday nutritional needs.

Its **blend of vitamins and trace minerals** supports normal metabolic processes and immune function, while **amino acids** contribute to protein building functions in the body. **Prebiotics and probiotics** help maintain digestive balance, and **antioxidant-rich fruits, vegetables, and botanical extracts** provide additional nutritional support.

Together, these ingredients support overall wellness, energy metabolism, and daily vitality as part of a healthy lifestyle.

These statements have not been evaluated by the Food and Drug Administration.

FAMILIA
NUTRE

V-NOURISH+

En **VITALHEALTH GLOBAL**
creemos que el bienestar comienza
con una nutrición integral.

V-NOURISH+

Es una mezcla vegetal de proteínas y superalimentos que combina proteína de chícharo, arroz, hemp y semilla de calabaza con frutas, vegetales, hongos funcionales, probióticos, enzimas, vitaminas y minerales esenciales en una fórmula diseñada para complementar la nutrición diaria.

Las **proteínas vegetales** contribuyen al mantenimiento muscular como parte de una dieta equilibrada, mientras que las **vitaminas del complejo B** apoyan el metabolismo energético normal. Los probióticos y las enzimas digestivas ayudan a mantener el equilibrio digestivo, y las **vitaminas A, C, D, E y el zinc** contribuyen al funcionamiento normal del sistema inmunológico.

Ingredientes antioxidantes como el **resveratrol, el ácido alfa lipoico, la cúrcuma y el extracto de té verde** aportan apoyo nutricional adicional para ayudar a proteger las células frente al estrés oxidativo.

En conjunto, estos ingredientes respaldan el bienestar general, la nutrición equilibrada y la vitalidad diaria como parte de un estilo de vida saludable.

SMART BIOTICS

At **VITALHEALTH GLOBAL**,
we believe healthy habits start early.

SMART BIOTICS

Is specially formulated with a blend of probiotic strains, prebiotic fibers, digestive enzymes, and supportive nutrients designed to complement children's digestive wellness.

A balanced combination of **Lactobacillus** and **Bifidobacterium** strains helps support a healthy gut microbiome, while inulin and **galactooligosaccharides** nourish beneficial bacteria.
Digestive enzymes such as **amylase, lipase, and protease** assist in the breakdown of nutrients, and **magnesium and choline** contribute to normal metabolic and neurological function.

Together, these ingredients help support digestive balance and everyday wellness as part of a healthy lifestyle for growing children.

These statements have not been evaluated by the Food and Drug Administration.
This product is not intended to diagnose, treat, cure, or prevent any disease.
